

Beneficial
State Bank

Washington, Where you bank matters.

Choose a bank that invests in tomorrow.

Did you know?

Banks can lend our deposit dollars to any industry they choose — fracking, pipelines, weapons, and special interest politics that benefit the few at the expense of the many.

At Beneficial State Bank, our lending helps to finance organizations that restore our planet, invest in our community, and extend prosperity to all of us.

Skookum Kids
A Bellingham nonprofit supporting children and families in the foster system

Our Lending Impact

Nonprofits: 50 nonprofits supported with \$44.9 million in loans.

Affordable Housing: \$24.1 million in loans, resulting in 854 units for families.

Environmental: \$26.3 million in loans to 7 renewable energy projects that produced 66.9 million kilowatt hours of energy, or the equivalent to 10,216 gas-powered passenger vehicles driven for one year.*

We Never Finance

Private Prisons

Weapons Manufacturing

Fracking
